ARTISAN MARKET

Market Policies Continued

Vendor Space Rentals:

- Vendor spaces are **10'x10'**, no bigger.
- Artisan Markets are **outdoors** on the front lawn of the Arts Center.
- Tables, chairs, and tents are not provided.
- Be prepared to bring your own tents, tables, chairs, fixtures, etc.
- You should have weights for your tent.

Raffle Fundraiser Donations:

The Strand Center for the Arts will hold a 50/50 raffle fundraiser at our tent at the Artisan Markets to support our community art programming. Additionally we will raffle off a Strand Basket with items such as theatre tickets, memberships, gift cards from our generous corporate business sponsors, etc. Artisan Market vendors are invited to donate an item for the basket each market, but this donation is not required.

Sales:

- Strand Center for the Arts (SCA) will not take any commission on sales for this event. The SCA charges a flat fee for the space rental and vendors handle and account for all sales themselves.
- All producer-only, handmade products and mediums accepted.
- Vendors must abide by state and local laws when selling their goods.

Right of Refusal:

The SCA has the right to refuse an artist's registration on the following conditions:

- The artist has not made the items themselves.
- Items are not handmade.
- There are too many of the same type of artwork being shown on that date (first come first serve)
 - We will work with you to figure out which days will work better to have a nice variety during each event. Example: We do not want to have 10 of 18 vendors be jewelry because it's not fair to you and we want everyone to be successful during these events. Variety is key!
- Content is not appropriate.
- Contains drug paraphernalia.
- Wineries and Distilleries must have an off-site permit/license and it must be current.
